## BUTTERFLY LULLABY

My wild indigo dusky wing  
my mottled, broad-wing skipper,  
a sleepy, dreamy dusty wing,  
flying through my night.

My northern, southern, cloudy wing,  
my spring azure, my crescent pearl,  
a silver-spotted, sweet question mark,  
sleeping in my sky.

A tiger swallowtail, harvester,  
moving through my hours,  
an eyed brown in the redwing dark,  
wrapped softly in my words.
